

DAILY ENTRY SWEEPSTAKES

The Feedback Surveys are a great source for the companies to highlight the major and minor operational areas that need improvements which otherwise never come up at front.

The best thing companies can do is to conduct a Customer satisfaction survey and offer a free reward for the person who takes a survey.

This is a great chance for you and the general public to get free meals and stuff from their favorite restaurants and stores.

The rewards are not just limited to small instant prizes and discount coupons.

Some companies give the weekly or monthly lucky draw of a grand prize that might include a trip to your favorite destination or a cash reward that might actually change your life.

Here is a free Express Sweepstakes List that you can keep to enter surveys for your favorite Restaurants and Stores to get FREE Stuff
